I. CPIM – Certified in Production and Inventory Management

CPIM will transition to the new 2-Part Curriculum in the Fall of 2017. BSCM is the equivalent of the CPIM Part 1 Exam. If you have passed BSCM and 1 additional Legacy Exam, it may be cost-effective to switch to the new curriculum. If you have passed BSCM and you wish to complete the CPIM Certification with the Legacy Curriculum, you must complete the remaining exams no later than 12/31/2018. **The Chapter is offering one final review class for each of the Legacy Exams in the Fall/Winter Terms of 2017-18. This will be the last opportunity to participate in a local instructor-led class for the Legacy CPIM Courses.** Contact the Chapter Office with questions.
